

CODE ENFORCEMENT

3000 Block of Harbor: Observed transients camping on private property. **Interviewed male and female who are from outside Costa Mesa, offered Outreach information. Male took Outreach card and they cleared the area.**

1900 Block of Anaheim Ave: Observed transient laying on sidewalk near the street curb. **The male was close to the curb of the street so I stopped to conduct a welfare check and make sure he did not roll into the street. Observed multiple alcohol bottles/cans around him. Male declined medical aid. Male is currently working with Outreach program.**

3100 Block of College Ave: Reports of vehicle camping. **Male observed camping in vehicle, reported to PD who responded. Male cleared the area. Area continues to be monitored.**

1100 Block of Victoria: CM Connect received regarding male transient camping at a utility box enclosure in front of a business property. **Male was observed camping and storing items at the reported location. Property manager made aware and working toward a resolution.**

1500 Block of Elm: Observed transient camping on private property. **Stopped to conduct a welfare check. Male transient is known and has been offered help multiple times. Male refused help once again and cleared the area.**

1100 Block of Baker St: Observed two transients camping on private property. **Transients contacted and interviewed for possible Outreach help. Both currently working with Outreach. Both made aware of private property.**

Welfare checks and contacts: Total of 7 checks were performed. All were informed of Outreach help and offered Outreach contact information. Two currently working with Outreach, two people took information, three declined help/info.

OUTREACH

Housed

- ***Outreach and community housing partners successfully housed 5 resident clients in permanent supportive housing this week, including one wheel-chair bound chronic homeless person who frequented the Harbor Blvd area for several years!***

Temporary Housing

- Outreach and community partner collaborated in temporarily housing 1 resident client.

Emergency Housed:

- Outreach and community partners collaborated in placing 2 resident clients in emergency housing.

Matched for Housing

- 4 resident clients have been matched for housing opportunities.

Linkage Housing Assessment

- Outreach administered housing assessments to 3 resident clients and to 1 non-resident client.

New Client

- New drug addicted client met with Outreach for an intake and requested drug rehabilitation services. Outreach will follow up with client and provide county substance abuse linkages.
- New client who is homeless and severely mentally ill, met with Outreach for an intake. Outreach will follow up with client and provide her with homeless shelter options.
- New client and police department referral met with Outreach for an intake. Client indicated the need for medical insurance and housing options. Outreach will follow up with client and attempt to link him to these resources.
- Disabled client indicated the need for housing resources since she is currently living in her vehicle. Outreach will follow up with client by administering a housing assessment and linking her to local homeless shelters.
- New client with conviction history met with Outreach for an Intake. Client indicated the need for housing resources and medical services. Outreach will follow up with client by administering a housing assessment and linking him to county medical insurance services.

Linkage Documentation

- Outreach assisted 3 resident clients in attaining and submitting their verification of homelessness letter to their respective housing programs.
- Outreach assisted 2 resident clients in completing housing applications from each client's respective housing program.
- Outreach assisted 2 resident clients in completing paperwork for identification records such as birth certificates and identification card.

- Outreach provided resident client's housing program with additional documentation for housing.

Linkage Mental Health

- Outreach and OC Mental Health, met with 2 resident clients and linked them to county mental health services.
- Outreach contacted 4 resident clients in setting up their appointments with their mental health provider.

Linkage Social Services

- Outreach and resident client met at Social Services to speak with client's caseworker regarding client's identification records.
- Outreach has linked chronically homeless resident client to Social Security to apply for retirement benefits.

Linkage Medical

- Outreach met with 4 resident clients at their medical appointments to discuss client's health and progress.
- Outreach linked 2 resident clients to a local medical clinic for medical services.
- Outreach monitored resident client's progress in recovering from contagious disease. Once disease has ended, housing provider will move forward with providing him with housing.
